# ***Congratulations Again!***

**Please remember that weapon lines are subject to change at any time throughout the summer training process. You still have an opportunity to be on a line as these are not set in stone, especially if you are a weapon alternate. Ask yourself how you auditioned and what skills you can work on?**

**Keep Pushing!**

**Please remember to e-mail Sergio at [vistamurrietacsapphires@gmail.com](mailto:vistamurrietacsapphires@gmail.com) to accept or deny your spot.**
