Audition Results

2018-2019

Congratulations!

We are so excited to announce the results of this year's placement auditions! There is so much talent in the incoming 8th grade class and the auditions were proof that many of our upperclassmen have really grown! There are great things on the horizon!

Please remember to be thankful for this opportunity and be humble in your placement. While you should be proud and excited about your placement, be aware that you may have received a position that someone else wanted and didn't get. I know it can be disappointing to not receive the placement you had hoped for. Turn that disappointment into the encouragement you need to practice your way to where you want to be! Every year, students in the lower bands work their way to the top! You can do it!

JAZZ RESULTS

Jazz audition results will be posted Friday afternoon.
