

Vista Murrieta High School Band Instrument Rental Information

The Vista Murrieta Instrumental Music Department owns and offers a limited inventory of instruments that are available for rental. There is a nominal rental donation of \$75 per school year, per instrument. This donation must be collected by the school bookkeeper (Payments can **NOT** be made to the band director or the band booster parent club for instrument rentals). In addition to wind players wanting to rent an instrument, we also ask all percussion to donate to cover the cost of mallets, head, and other percussion supplies that need to be replaced annually.
