

Band Instrument Rental Information

The Vista Murrieta Instrumental Music Department owns and offers a limited inventory of instruments that are available for rental. There is a nominal rental donation of \$100 per school year. This donation must be collected by the school bookkeeper (School instrument rental payments can **NOT** be made to the band director or the band booster parent club). In addition to wind players who need to rent an instrument, we also ask all percussion to donate to cover the cost of mallets, drumheads, and other percussion supplies that need to be replaced annually.

Instrument Rental Instructions

In order to have an instrument checked out to you, **you must bring a proof of payment receipt**. Payment can be made online by:

Step 1 – Go to <https://mvusd.graystep.com/Index.aspx#/31515/product/2250>
OR <https://broncos.murrieta.k12.ca.us/>

Step 2 – Click on the “Student Store” Icon/link found in the middle bar of the main page. This will direct you to the “SchoolCash Online” page.

Step 3 – All students might already have accounts set up. To access this account, sign in with the student's school email and their password. If login is not working, you probably do not have an account and therefore you need to register an account. (You will need your student's 9-digit ID number). Register and then you will receive a confirmation email leading you to be able to sign in.

Step 4 – Click on the “Murrieta Valley Unified School Tab”. (If instrument rental does not show up under your child's account, please contact the bookkeepers to add it to your SchoolCash account, from there you will be able to make your payment)

Step 5 – Click on the “View Item” and add to cart. Make payment.

Step 6 – Print out your “Proof of Purchase Receipt”.

Step 7 – Bring your receipt to your band director to check out an instrument.
