

A WORTHWHILE THING TO DO

Take your cautionary tales
Take your incremental gain
And all the sycophantic games
And throw 'em all away

Burn your tv in your yard
And gather round it with your friends
And warm your hands upon the fire
And start again

When the wildfires
Were burning out on the lawn
You held your arms out

Now they've gone
You're set and on the road
Stay away from old thoughts
Old doubts and old feelings
Keeping it so far down isn't easy
And you know it's too late
To back out of your real life
In to the light

You've got your mother's eyes
You've got your father's heart
A new day is here for you
